SPORT

The sixth final heat has concluded just minutes ago at the 16th FINA World Championships in Kazan. Eight best swimming teams of the world competed for gold in the mixed 4x100m freestyle relay event.

The United States proved to be the best in the race finishing with a time of 3:23.05. They deservedly topped the podium and also updated the world record. The American swimmers were followed across the line by the Dutch swimmers who touched home at 3:23.17. Team Canada completed the podium in third place with 3:23.59.
